MEDELLIN, COLOMBIA

So… does ISRAEL have some kinda BASE there we don't know about (or DO know about) where they fund, arm and train all their CARTEL MERCENARIES, ADAM MILSTEIN OPERATIVES and future JUDICIAL APPOINTMENTS?

I only ask because ADAM MILSTEIN and ISRAELI INTELLIGENCE ASSET and ANTI-AMERICAN "ID, DOXX & DESTROY NON-JEW AMERICANS" OPERATIVE DANIEL LINDEN, from SHIRION COLLECTIVE, has/had a RESIDENCE in MEDILLIN, COLOMBIA, alongside the residences he also has/had in GAINESVILLE, FL & COLORADO.

Oh, and because of…

🚨JUDGE LUIS FELIPE RESTREPO🚨

*Born in Medellin, Colombia

*Served as a LAW CLERK for the ACLU (Mossad)

*He ruled AGAINST workers who posed for a picture dressed as KKK members, while ignoring that the KKK was established by B'NAI B'RITH to UNDERMINE AMERICAN WHITES in the UNITED STATES, and called the KKK a "WHITE SUPREMACIST ORGANIZATION", instead of what it IS… a JEW SUPREMACIST ORGANIZATION of JUDAH BENJAMIN and ALBERT PIKE.

*Was nominated by PRESIDENT OBAMA to serve as a U.S. DISTRICT JUDGE for the EASTERN DISTRICT OF PENNSYLVANIA, the state which also houses the UNIVERSITY OF PENNSYLVANIA, where his WIFE, CATHERINE RESTREPO, is the ASSISTANT DEAN of the MASTER IN LAW PROGRAM.

*Speaking of UPENN, that's the SAME UPENN which is CHAIRED/VICE CHAIRED by JULIE PLATT, the CHAIRMAN of the JEWISH FEDERATIONS OF NORTH AMERICA (JFNA/UJA/Mossad), whose SISTER, AMY BRESSMAN, is the PRESIDENT of UJA-FEDERATION. The WHARTON SCHOOL AT UPENN is CHAIRED BY UJA-FEDERATION CHAIRMAN and APOLLO GLOBAL MANAGEMENT CEO & CO-FOUNDER MARC ROWAN… who CO-FOUNDED APOLLO with LONG-TIME JEFFREY EPSTEIN ASSOCIATE and PERSONAL ESTATE EXECUTOR, LEON BLACK.

🚨NOTE: THAT'S why COVID hasn't been properly adjudicated in the state of Pennsylvania. UPENN helped develop the PFIZER-BIONTECH VACCINE and too many KEY MOSSAD OPERATIVES and PEDOPHILES would appropriately receive the DEATH PENALTY. It's ALSO

why MOSSAD OPERATIVE, JOSH SHAPIRO, was INSTALLED AS GOVERNOR and helped MARC ROWAN and STEVEN ROSS lead the HOSTILE TAKEOVER of UPENN to INSTALL MORE MOSSAD/CIA/IQT ASSETS into UPENN EXECUTIVE LEADERSHIP and TRUSTEES POSITIONS… like UPENN CHAIRMAN RAGHAVENDRAN (spelling?).

*Now serves as COMMISSIONER and VICE CHAIRMAN of the SENTENCING COMMISSION, which sets FEDERAL SENTENCING GUIDELINES… including shockingly LIGHT SENTENCINGS FOR PEDOPHILES, like what KENTANJI BROWN-JACKSON had COVERED UP before her SCOTUS CONFIRMATION.

FUN FACT: Judge Restrepo also serves on the ALLIANCE FOR JUSTICE (AFJ) w/JEW OPERATIVES.

GEORGETOWN LAW

Nan's strong belief in the importance of building capacity across the nonprofit spectrum was reflected in her creation of AFJ's thriving Bolder Advocacy program in Washington D.C. Bolder Advocacy is dedicated to the principle that nonprofits can and must play an active role in advocating for their causes within our democratic system. The program has helped thousands of nonprofits and foundations understand the IRS and FEC rules governing lobbying and advocacy. Nan expanded this program by opening additional offices in Oakland, Los Angeles, Dallas, and Houston.

Prior to founding Alliance for Justice, Nan was a staff attorney for the ACLU's National Prison Project, where she challenged conditions in state prison systems through lawsuits in federal and state courts. As a trial attorney for the Equal Employment Opportunity Commission, she litigated race and sex discrimination cases in federal and district courts. She holds a BA from Oberlin College and a JD from Case Western Reserve.

On the bench, Judge Restrepo has handled a number of significant civil rights cases. In one Title VII case, an employee of Montgomery County, Pennsylvania alleged that the County retaliated against her over complaints she made about a male supervisor. After a jury awarded the plaintiff $750,000 in compensatory damages, Judge Restrepo encouraged successful settlement discussions that resolved all remaining issues, and spared the parties from lengthy post-verdict litigation. In another civil rights case, Restrepo rejected the discrimination claims of three workers who were fired after posing for a workplace photograph dressed as members of the Ku Klux Klan. The workers argued that their employer improperly considered their respective races (Caucasian and Native American), but Judge Restrepo explained: "The Ku Klux Klan is a white supremacist organization that has pursued its agenda through violence and terror largely directed at African-Americans. In light of that history, it is a simple reality that fair-skinned men presenting themselves as members of the KKK to a dark-skinned person has a very particular resonance. That this may have factored into [the employer's] interpretation of the event does not change the discrimination analysis[.]"

Judge Restrepo has been a member of myriad legal associations and boards, covering a wide variety of issues. In addition, Judge Restrepo is a visiting law professor in the L.L.M. 2. B'nai B'rith, or the Independent Order of the Sons of the Covenant

Israel Joseph Benjamin, a European Sephardic Jew, toured the U.S. in 1859-62. Benjamin (no relation to Judah Benjamin, although the two met) was part of a network of humanists associated with Alexander von Humboldt deployed to profile Jewish organizations in the U.S. In a book titled *Three Yeas in America* he described the B'nai B'rith as follows:

"This is a secret society, like the Freemasons, with passwords, signs, and the like . . . still I think that existence of such an organization is not at all necessary . . ."

The B'nai B'rith was officially founded in October 1843, as part of the Rothschild and British monarchy effort to establish what is today known as the Zionist movement. Founders of the B'nai B'rith, the Order of the Sons of the Covenant, in the U.S. were members of the financial heirarchy of the Rothschild circles, including the Seligmans and Dr. Kuttner Baruch from Charleston, S.C., the father of British agent Bernard Baruch. The elder Baruch was later responsible, along with Judah Benjamin, for setting up and financing the Ku Klux Klan.

The B'nai B'rith was ostensibly organized so that the Jews could have their own Freemason organization. But its real purpose was to provide the basis from which to finance the subversion of the U.S., and use the U.S. as a base for deploying these networks internationally to protect the Rothschild interests. There were over 44 Jewish organizations in the U.S. along which provided the Rothschilds their service.

"The name of Rothschild, in all countries, is a

TOP SECRET EYES ONLY
PRESIDENT KENNEDY'S ASSASSINATION A RUSSIAN CONSPIRACY
The assassination of the great President KENNEDY was a shock to Palestinians. Please convey our sincere sympathy to the KENNEDY family and to the people of the United States.
Behind the mysterious crime is a carefully plotted Russian conspiracy, because of the secret and overt Zionist criminal conspiracy with which Lord ALFRED ROSENBERG, the Nazi-Jew and Zionist extremists, as well as the terrorist method adopted in kidnapping EICHMAN and many others, provides the evidence to question the position of their secret organizations. The late President was likely to win the coming Presidency elections without supplanting the Zionist sympathy or seeking the Jews votes. Aware of the fact that their influence and power in the United States are based upon the Jews votes, the Zionists murdered the courageous President who was about to destroy that layout of theirs, the assassination as a warning to the rest of the honorable leaders.
Reveal their complicity to the supreme judgement of the world. Be careful, you are the hope of the Palestinians.

The Author understood Mossad had infiltrated NIAID/NIH and was scheming a large bioweapons attack. He understood that Mossad intended to "preempt the next Jewish Holocaust" and planned genocide on a large number of ethnic groups including in the US. The Author understood, from reading about Joseph Moshe and working in the vaccine field that vaccines would likely be used as a carrier for bioweapons. In order to carry out this plan Mossad would likely benefit from controlling the FDA to ensure the bioweapon contaminated "vaccines" received regulatory approval.
In early 2019 Dr. Scott Gottlieb was Commissioner of the FDA [39]. He was appointed in 2017 by then President Trump, an close associate of Mossad operative Jeffrey Epstein. That fact alone would make Gottlieb a person of interest. Dr. Scott Gottlieb was a protégé of super spy and Mossad asset, Buzzy Krongard who

Much of the main stream media has focused on a possible lab leak from Wuhan. The Author does not find this surprising given the connection between main stream media and Mossad. Mossad thrives on false flag events. The anthrax letters from 2001 incriminated Muslims when in fact the anthrax was linked to a Zionist at Fort Detrick. People with an understanding of molecular biology understand that asking where the coronavirus causing COVID-19 was made is equivalent to asking where a peanut butter and jelly sandwich was made. The molecular biology is quite simple and components of the viral genome (similar to bread, jelly, peanut butter) can be synthesized in a piecemeal fashion quite safely. The final construct could have been completed anywhere; a high-tech bioweapons facility is not essential. An abandoned mine shaft would work well. The lab equipment needed is readily available. Dear Dr. Fauci:
I am a assistant attorney general of the States of New York and Oregon. I have received some information that may be useful in dealing with the novel coronavirus, but I am not able to evaluate this information personally. It is in an article authored by a former asst. secretary of the US Treasury. I would like to make this information available to you for evaluation, and to that end I am copying it immediately below.

The Virology Journal – the official publication of Dr. Fauci's National Institutes of Health – published what is now a blockbuster article on August 22, 2005, under the heading – get ready for this – "Chloroquine is a potent inhibitor of SARS coronavirus infection and spread." (Emphasis mine throughout.) Write the researchers, "We report…that chloroquine has strong antiviral effects on SARS-CoV infection of primate cells. These inhibitory effects are observed when the cells are treated with the drug either before or after exposure to the virus, suggesting both prophylactic and therapeutic advantage."
This means, of course, that Dr. Fauci has known for 15 years that chloroquine and its even milder derivative hydroxychloroquine (HCQ) will not only treat a current case of coronavirus ("therapeutic") but prevent future cases ("prophylactic"). So HCQ functions as both a cure and a vaccine. In other words, it's a wonder drug for coronavirus. Said Dr. Fauci's NIH in 2005, "concentrations of 10 μM completely abolished SARS-CoV infection." Fauci's researchers add, "chloroquine can effectively reduce the establishment of infection and spread of SARS-CoV."

NEWMARK

Here's MARY BARRA (GM/Bondi, General Dynamics/CIA/JP Morgan, DHSAC, Duke Kunshan University - Wuhan, China) with HOWARD LUTNICK'S SON from CANTOR FITZGERALD, where they CONTROLLED THE COMMERCIAL REAL ESTATE for all the COVID BIOTERRORISTS AND CO-CONSPIRATORS in CHINA, SINGAPORE, NYC, etc.

@CagedLionPhilos @CanariesBlue Here's a key excerpt from that CONNECTEAM (Israeli remote control of COVID) thread…

HINT: It's all IDF AND WIX.COM AND BAILLIE GIFFORD (GINKGO BIOWORKS [Palantir]). 🤣 https://twitter.com/dznutzurface/status/1958748803294441982

@CagedLionPhilos @CanariesBlue And it continues in the VERY NEXT POST, where we meet the OFER BROTHERS of O.G. VENTURE PARTNERS... the true "MEN (JEWS) BEHIND THE CURTAIN of ISRAEL'S COVID ATTACK AGAINST THE UNITED STATES.

EYAL OFER and IDAN OFER, the sons of SAMMY OFER basically OWN MOST OF ISRAEL. 🤣
